----------	---------	---------	--

Important notice:

These 3 factors should be always concedered when selecting a replacement switch or sender,

A/ thread size, B/ terminal connector, C/ pressure.

Please beaware that in some instances the connector terminal may defer from what is on the vehicle, this is because the number has either been superceded or the original part is NLA.

All care has been taken in preparing and compiling this application list but if errors are detected, please report them by phone (1800 335 282) or fax (03 9450 3168) to Siemens VDO Automotive customer service depatrmnt.
